

Sensational Saturday!

A super easy fundraiser for your group at Just For Kids!

We are excited to introduce a new way to help your church, school or organization to raise money. It's what we call... **Sensational Saturday!**

Here's how it works:

1. We provide you with a take-home flyer to copy and send home with your group or the children in your school
2. Your students, members, players, supporters, etc. will bring the flyer with them to Just For Kids on **Saturday only of our 3 day sale!**
3. After shopping, they simply present their form at checkout. We will track the amount spent (before sales tax) and send your group a check for 10% of the total.

That's it! It's that easy! Checks will be mailed within 2 weeks of the sale. Think about it, the more flyers you hand out and the more excitement you generate for your fundraiser, the more money you will make!

Fun and simple fundraising!
